25X1

The construction of an antiaircraft artillery position was observed south of Oreh (N 50-01, E 14-18). Already located there are one permanent barracks, one wooden barracks, some tents for quartering of personnel, and four 85-millimeter antiaircraft guns. A road is under construction from the cantonment to the small road to the south of Oreh. Three piles of dirt from holes intended for the placement of guns were also observed near the barracks.
